

W.D. Gann Treasure Discovered: Simple Trading Plans for Stocks & Commodities (Book & VHS Tape)

This modern-day classic features a treasure-trove of proven, viable trading plans suitable for every type of trader. Based on the proven methods of trading legend W.D. Gann, this thorough work has been updated to be relevant for today's most active traders and even includes powerful new swing trading techniques. Each plan featured provides well-defined entry & exit rules, risk management assessments and profit objectives. And, the charts and support materials are large and clear, so you can easily grasp the essence of each plan, and incorporate them into your own trading. A companion video workshop is also included that clarifies each concept in detail, so you can understand exactly when, and how, to implement them. Having a solid, reliable trading plan is the only sure way to achieve consistent trading success. Now, Gann master Robert Krausz reveals numerous trading plans and trading techniques that have been proven to be profitable in all different market climates, and which have endured for decades. It's the definitive guide to Gann trading methods for today's trader. COMES COMPLETE WITH VIDEO!
