

## Wedding Cake Wishes (Mills & Boon Love Inspired) (Wedding Bell Blessings, Book 3)

To save his mother's business, rugged outdoorsman Logan Warren has to learn about wedding cakes and keeping customers. A confirmed bachelor, he can barely handle the brides that come in wanting buttercream this and frosted that. Yet when family friend Caroline Scott offers to help out, Logan isn't relieved. Caroline is his polar opposite. He has motorcycles and wildlifeshes business suits and ledgers. The one thing they have in common? Not wanting to get married. Until everyone else's wedding cake wishes have them dreaming of their own.
