

When Every Moment Counts: What You Need to Know about Bioterrorism from the Senates Only Doctor

Also available in the Spanish version. Bioterrorism has quickly become one of the most pressing and disturbing issues of our time. Our nations leaders warn that the threat of germ weapons by terrorists is real, and, more importantly, that the United States remains highly vulnerable. Such statements have led to a national sense of fear and unease. Every American wants answers? what can we do to protect our families and loved ones? Enter Senator Bill Frist, M.D. At this crucial time, Senator Frist wants to provide all Americans with an accessible and comprehensive guide to dealing with the realistic threat of bioterrorism. Written in an easy-to-use question and answer format, complete with photographs of the varying symptoms and a full index, When Every Moment Counts is an essential manual for every American. For more information visit Senator Frists Web site for this book, www.wheneverymomentcounts.com.
