

# The Family Table: Where Great Food, Friends, and Family Gather Together (Capital Lifestyles)

Popular Texas cable chef Christy Rost believes that gathering around the table for a good meal is the best way to celebrate the most important things in life - love, family, good health, and good friends. The key to preserving the family meal is an arsenal of hearty recipes that emphasize the beauty of simple foods, fresh, wholesome ingredients, and reasonably priced wines. So, for her first cookbook, *The Family Table*, she offers 250 of her favorite recipes - all delicious, well-balanced, and easy-to-make - to welcome your family and friends to your table. Recipe selections range from all-American favorites to Caribbean, Chinese, French, Italian, Japanese, and Mexican cuisine. *The Family Table* is divided into four sections: Everyday Meals, Weekends, Entertaining at Home, and Holidays. Within each section, recipes are grouped by type (salads, entrees, side dishes, etc.) Also included are wine suggestions with many of the entree recipes. Eric's Wine Notes, written by a wine expert, contain three wine suggestions in order of least to most expensive.

Sample Recipes: Homestyle Meatloaf, Buttermilk Cornbread Muffins, Sunday Best Mashed Potatoes, Tomato Galette, Thick and Creamy Tortilla Soup, Grilled Marinated Pork Chops, Cape Cod Rice Pilaf, Apple Cranberry Muffins, German Apple Pancakes, Mango Spinach Salad with Blackberry Vinaigrette, Portabella Mushroom Turnovers, Pink Rum Desire, Berries with Champagne Sabayon, Grilled Lemon Basil Chicken, Rack of Lamb Dijon, Roasted Herbed Pork Loin, Onion Souffle, Stuffed Zucchini Boats.
