

Whitey Ford

Called the Chairman of the Board because of his remarkable control in big-money games, Eddie Whitey Ford still holds the record for World Series wins (10), and was Casey Stengels ace during much of the Yankees historic mid-century pennant streak. Off the mound, Whiteys carousing with Mickey Mantle was legendary, and he, in many ways, symbolizes the excesses and good fortunes of the Yankees during that era - living hard and winning often. This book delves into the life and baseball career of Whitey Ford, the Hall of Fame left-hander who helped the Yankees win 11 pennants and six world championships. After a childhood in the New York sandlots, he quickly worked his way through the Yankees farm system and, when called up in 1950, won nine straight in a pennant race and then won the final game of the World Series sweep of the Phillies. He would go on to pitch for 16 seasons - all of them with New York - and retire as the winningest pitcher in franchise history.
