

## Who Will Pay My Auto Accident Bills?

Find out what you need to know and win your claim! Car accidents are the most common cause of death, the most deadly source of injury and they are the #1 cause of acquired disability in the world. As a driver or a passenger, you have a one-in-four chance every time you are in a car to be in an accident. Do you think you're covered? Think again. Insurance companies that are supposed to pay you for your harms and losses are NOT YOUR FRIENDS. Fortunately, here is all you need to obtain proper compensation. Paul A. Samakow, after decades of beating the insurance companies and winning cases for thousands of auto accident victims, shows you everything about: Medical bills Damaged cars Selecting an attorney, doctor and auto body repair shop Compensation for lost income, pain and suffering, future medical expenses, and permanent injuries Health insurance issues Knowing your state laws Government benefits ... and more To protect yourself, you must know what is in this book. Even the simplest collision can cause years of aggravation, wasted time and needless expense, but you can be a winner in every aspect of your claim. Even if the accident was your fault, you can obtain thousands of dollars. Keep this book safe you may need it to get all the money you deserve!
