

## Wilderness and Travel Medicine

How to manage medical emergencies when professional medical care is not available. First published in 1992 WILDERNESS & TRAVEL MEDICINE has been a staple in emergency first-aid kits sold worldwide by Adventure Medical Kits. With this fourth edition, Mountaineers Books and Adventure Medical Kits have partnered to release an updated, stand alone reference for anyone who ventures away from civilization. Topics include everything from CPR, shock and fractures to head, eye, and dental injuries, poisonous reactions, frostbite, hypothermia, heat illness, and much more.
