

## Young Men Understanding Fatherhood: Curriculum Toolkit

This toolkit provides essential reading for those running a young fatherhood programme with young men aged 13-19. The programme consists of 11 sessions and 44 activities covering: knowing ourselves and others; understanding values and beliefs; problem solving and risk taking; what it means to be a man; relationships; sex and sexual health; what babies need; being a good dad; dads and the law and safety and first aid. Activities have been piloted in a variety of settings including, parenting projects, leaving care services and YOIs
