

How to Say No...and Live to Tell About It: A Womans Guide to Guilt-Free Decisions

Do you know a yes-aholic? Many women feel pressured to say yes to commitments and activities even though their time and resources are already stretched thin. Mary Byers, author of *Mother Load*, offers women strategies for quickly evaluating commitments, priorities, and energy levels so they can realistically decide what to do. Readers will discover how to...know when yes isn't the logical answer, identify the best use of their time, use their gifts and talents more effectively, turn down opportunities graciously, have more time with their families. Whether at home or in the business world, women will be excited about these secrets to guilt-free decisions that lead to more efficient productivity and more discretionary time.
